EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Roger Pitt on 4/6/06.

The application has been amended as follows:

In the Claims:

Claim 10 has been canceled in favor of new claim 16.

Claim 16 (new) --A safety rail barrier supported by a plurality of cushioned support posts, fixed into the ground, the posts alternatively having a double T- or U-shaped cross-section, wherein the safety rail is supported above the ground creating a spacing above the ground, thus exposing the cushioned support posts to possible impact by vehicle accident victims; the cushioned support posts each comprising:

A protector for encircling the support post within said above ground spacing; the protector having an integral body portion including a plurality of internal, cell defining partitions, the cells providing a compressible internal structure capable attenuating damage to an accident victim, having an extruded outer profile, and generally U-shaped

internal profile that permits the support post to be received through a vertically open section of said integral body portion, wherein the internal profile conforms with and attaches to said support post, thus permitting assembly and placement of the protector around said support post.-- has been added--.

Allowable Subject Matter

2. Claims 1-9, 11-16 are allowed.
